**Church issues:**

**Michelle spoke with Anna from B.U.M.C recently. Anna mentioned the older individuals have several complaints about us using the field/pavilion area.**

- Tables are always dirty
- They have to remove rocks from the tables and benches
- The stack of wood under the pavilion is in their way and is a "hazard"
- The parts for the gutter are in the way and are also a "hazard". They are planning to move the parts so no one trips over them.
- They do not like the style of fence we are putting up
- They did not like that we named the fields with sponsors because it is "their" field. They are planning to install their own sign at the top of the field.

**Anna did indicate it is not her or brother, David, who have concerns. It is specifically the older people in the church and indicated it is mostly one person who just happens to be present at soccer games, too. She also acknowledged the field does not belong to the church. It is leased by the Twp, so the church really does not have a say in anything we do at the field.**

**Michelle did tell her we try our best to keep the field and the pavilion clean after each game/practice. We try to remove any rocks/debris from the tables/benches and empty the garbage cans.**

**Jeremy mentioned we are the ones paying for the garbage service and the port-a-John's they are using. Michelle noted we also pay to keep the grass maintained during the season.**

**Chris will bring all of this up to Don Kepple (Twp Supervisor) the next time he speaks to him.**

10. Next meeting scheduled for **July 11<sup>th</sup>** to be held at **FIELD @ TBD** pm  
Adjournment: **6:36** pm **Motion: Michelle; 2nd: Cheyanne**
