9. Pictures – scheduled for 9/7

- **Need to contact school to look into alternate locations – can we use outside with option to move inside if needed?**
- **Jeremy noted he thinks the paperwork needs to be in 28 days prior to the event**
- **Concession for fall season:**
  - Chris – we need to find someone to manage the concession stand.**
  - Michelle - It is time consuming and can be a lot of work. Carrie made a lot of trips to the store to make sure the concession stand was well stocked. It would be nice if we had good way of keeping inventory. Also noted storage for concession stand items is a problem.**
  - We discussed ways to recruit someone to run concession – ex: free season. Doesn't need to be a board member, just a trustworthy parent.**
  - Talked about options to have supplies shipped either to a board members home or to the field – which would require someone to be at the field for delivery. Discussed Sam's Club delivery/pick up; Walmart delivery and Amazon.**
  - Alison – suggested looking into a Sam's Club membership specifically for soccer.**
