7. Concessions – Update after the first few weeks?
Starting to pick up. Mia & Michelle have been pricing items at different locations.

So far, we have been able to find a few things cheaper – mostly through Amazon. Would like to look into opening Sam's Club and Walmart accounts under DAYAA Soccer to make it easier for Mia to order and purchase without needing to submit a receipt for reimbursement each time. An exec board debit card would be linked to the account.
8. Website – General planning for getting things in place for next year. Google Documents with links on the website so we can modify registrations, surveys, etc. when needed. Domain is purchased. Website can take payments through multiple methods. Can also put merchandise on the site.

Open Discussion

11. **Jordan mentioned some complaints she has received about the U6 division this season.**

Chris and Michelle both pointed out that the U6 teams are larger than normal, this is due to late registrations and not enough volunteers to coach. This is making it difficult for coaches to manage the teams. Parents are always welcome to assist with practices.

Frank and Jordan discussed possibility of starting a group for younger kids, similar to Soccer Shots, specifically for kids ages 3-4.

Chris and Michelle both pointed out that we struggle to get coaches for the divisions we currently have.

12. Next meeting scheduled for **October 10** to be held at **FIELD @ TBD** pm

Adjournment: **8:23** pm **Motion: Michelle; 2nd: Jordan**
